

# HELIX SINGLE 5

## Product Family

The Helix Single 5 is an innovative one-bottle wine rack that holds standard, Champagne, and magnum bottles on a wall or post as if floating on air. The superior design of VintageView's wall-mounted wine rack offers maximum strength and efficiency, with elegant curves to add additional visual interest. This wine rack looks almost as good without the bottle.

Use a few wine racks to create small wine storage above wet bars, or stack onto taller displays to meet any commercial or residential wine cellar requirement.

**DIMENSIONS & BOTTLE CAPACITY:** 5" (13cm) x 13" (33.5cm) x 3-1/4" (8.5cm) with wine bottle stored. Holds (1) 750ml or 1.5L bottle, label forward. Available in Left or Right bottle orientation.

**STYLISH, CONTEMPORARY WINE STORAGE:** An impressive balance of form and function, this remarkable metal wine rack is available in two heights, left or right bottle orientation, and can be aligned atop each other to meet any custom commercial or residential collection requirements.

**DURABLE MATERIAL & DISTINCTIVE FINISHES:** Built with a high-quality steel/aluminum alloy, and offered in luxury finishes (Matte Black, Cool Gray, and Golden Bronze) that match all other VintageView wine rack collections.

**FLOATING OPTIONS:** Add the R Series Post to install Helix Wine Racks in floor-to-ceiling applications, up to 15' (457.5cm) in height.

**KEY FEATURES:** Backed by a lifetime warranty, this modern wine storage option is easy-to-install on any wall in your home. Hardware for drywall and wood-backed wall installs included.
